

INTERSTELLAR

FOR CLASS 11TH TO 12TH MOVING STUDENTS

TARGET :
JEE (MAIN & ADVANCED) 2026

INTERSTELLAR

Batch Start Date

April 09, 2025

Batch End Date

Dec. 31, 2025

TIMING 05:10 PM ONWARDS

Classes/week - 6 Days/Subject

Topics Covered

Physics

Geometrical Optics
Simple Harmonic Motion
Electrostatics
Gravitation
Current Electricity
Capacitor and Capacitance
Magnetic Effect of Current
Electromagnetic Induction
Alternating Current
Waves
Sound Waves
Wave Optics
Modern Physics-1
Modern Physics-2
Errors
Semiconductor

Chemistry

Solution and Colligative Properties
Electrochemistry
Chemical Kinetics
Thermodynamics
Aromatic Compound
Halogen Derivative
Alcohol, Phenol, Ether
Carbonyl Compound
Carboxylic Acid and Derivatives
Nitrogen Containing Compound
Polymer* and Biomolecules
Coordination Compound
D & F Block Element
P Block Element
Surface Chemistry*
Salt Analysis*
Solid State*
Metallurgy*
Chemistry in Everyday Life*
POC

Maths

Matrix
Determinant
Relation
Function
Inverse Trigonometric Function
Limits
Continuity
Differentiability
Differentiation
AOD-I (Tangent & Normal)
AOD-II (Monotonicity)
AOD-III (Maxima & Minima)
Indefinite Integration
Definite Integration
Area under curve
Differential Equation
Vector
3-D Geometry
Probability
Complex Number

LIVE ONLINE COURSE

For NEET/JEE/Foundation

Features:

Kota Coaching Methodology

Live Interactive Lectures

Live 1:1 Doubt Solving Classes

DPP & Problem Solving Sessions

Regular Tests & Assessments

Exclusive Doubt Forum

Live Motivational & Mentorship Session

Parent-Teacher Meetings

Dedicated Academic Support Manager

Test

**Weekly Test, Review Test
(Every 21 days)**

Study Material

**Modules, DPP,
Formula Booklet**
